COQUETTISH

WHIMSICAL

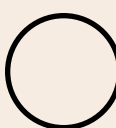

He wasn't classically handsome, but there was a magnetism about him that was impossible to ignore. It was in the way his eyes crinkled when he smiled, the confident set of his shoulders, and the low, steady timbre of his voice that seemed to promise things he never said aloud.

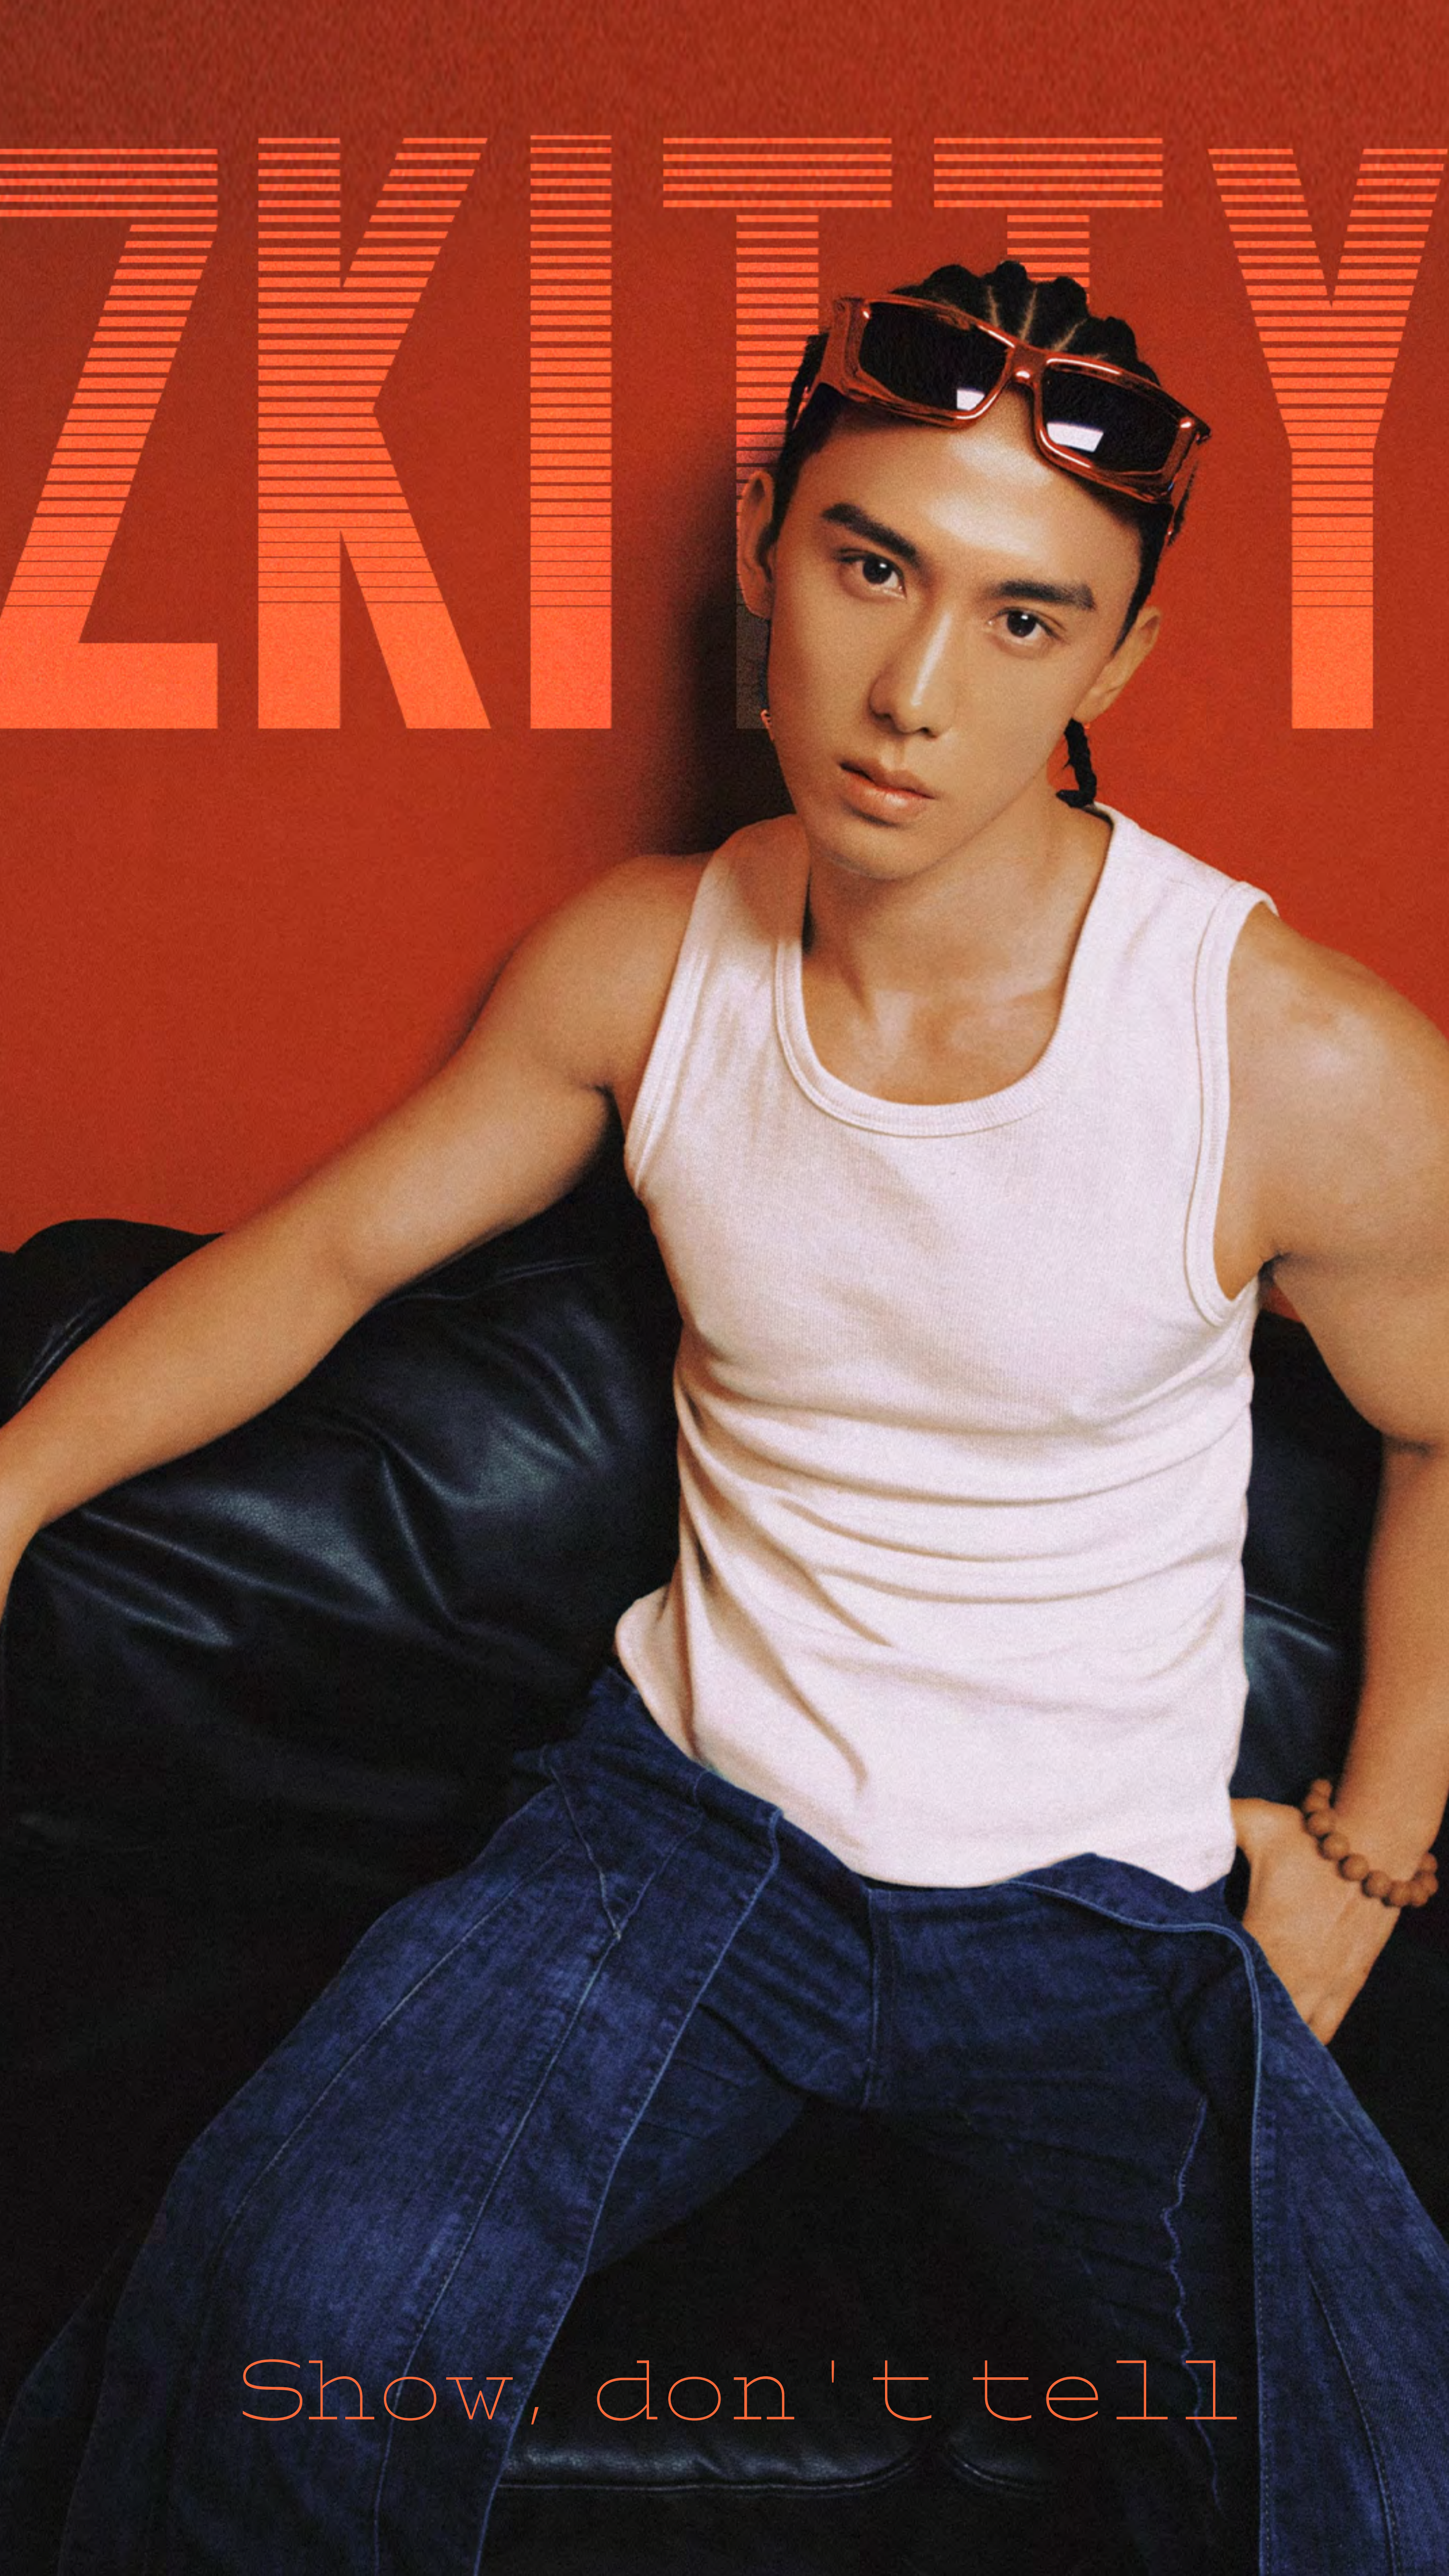

NEW TRADITIONAL

His attractiveness was a refreshing, uncomplicated thing. Sun-kissed hair fell casually across his forehead, and his eyes crinkled at the corners when he grinned—a wide, open expression that was utterly disarming.
